

STAINED GLASS CLASS

(BEGINNER & ADVANCED)

Course Overview

Beginners will start by creating a suncatcher to learn the fundamentals, then design their own beautiful panel window.

Intermediate and advanced students will take on more complex patterns to refine their techniques.

Topics include:

Glass pattern making

Cutting techniques

Soldering

Framing

We are offering two class options this semester!

🕒 6:00 PM – 9:00 PM (12 Weeks Each)
